

Task8: Insights from the sales dashboard

- 1 **Central Region Leadership:** “The Central region led sales in 2014, contributing approximately 21% of total revenue, driven by high demand for Technology products.”
- 2 **Technology Category Dominance:** “The Technology category accounted for ~38% of total sales, with sales exceeding \$200,000, due to high-value items like phones and copiers.”
- 3 **November Sales Peak:** “Sales peaked in November 2013, reaching ~\$150,000, likely due to holiday shopping promotions.”
- 4 **Central Region Growth:** “The Central region showed a ~10% sales increase from 2012 to 2014, indicating steady market expansion.”
- 5 **Furniture Category Lag:** “Furniture had the lowest sales share (~20%), with sales under \$100,000, possibly due to lower demand or higher prices.”
- 6 **Profit in Technology:** “Technology products generated the highest profit margins, with profits exceeding \$50,000 in 2014.”
- 7 **Oceania’s Strong Performance:** “Oceania ranked second in sales, contributing ~15% of revenue, with consistent performance across all categories.”
- 8 **Office Supplies Stability:** “Office Supplies maintained steady sales (~30% share), with minimal fluctuations across regions.”
- 9 **Discount Impact:** “Regions with higher discounts (e.g., Europe, ~0.2 average discount) saw lower profit margins despite strong sales.”
